CAPABILITY STATEMENT

ALVAREZ IS COMMITTED TO INTEGRITY AND PERFORMANCE

Alvarez LLC is dedicated to servicing the needs of the Federal Government by delivering cost-effective technology solutions and consistent, superior performance through our prime contracts, including our Government-Wide Acquisition Contracts (GWACs) NASA SEWP V, NITAAC CIO-CS, and GSA MAS. Our company builds long-term relationships with our Vendor Partners and Government customers on trust and unrivaled service. We are committed to living up to our legacy of integrity — one customer mission at a time.

BUILT ON A SOLID FOUNDATION OF SERVICE AND QUALITY

Headquartered in the national capital region, Alvarez was founded in 2004 by the Honorable Everett Alvarez, Jr., USN Cmdr. (Ret.). An SDVO and HUBZone Small Business, Alvarez is built on a foundation of performance, commitment, and integrity.

We work hard to hire and retain employees and associates who possess the highest levels of procurement knowledge while holding themselves personally accountable for maintaining professionalism, integrity, and a desire for continuous personal and professional growth. Our people are personally empowered to help our Federal Government customers achieve their mission-critical goals by delivering the best IT solutions available on the market today.

ALVAREZ OFFERS DIVERSE IT SOLUTIONS

- Business Process Management
- Cloud Computing
- Commodity Supplies
- Communications
- CyberSecurity
- Enterprise Applications
- Healthcare IT
- Network Management

A TRUSTED PARTNER AND ADVISOR

After more than twenty years of serving the Federal Government, Alvarez has formed long-lasting and mutually beneficial relationships with our Vendor Partner companies and the Federal Government clients we serve. Our principal business focus is to help our clients achieve performance and goals by delivering the latest technology solutions with the highest levels of quality and integrity.

The secret to our success is the trust we've built and the quality of business relationships we maintain, coupled with the commitment of our associates to deliver IT tools and solutions easily, quickly, and economically.

Our experience and tested processes make it quick and easy to deliver the IT solutions that Federal departments and agencies need — right now. Our express purpose is to:

- Deliver quality and economical vendor solutions, hassle-free.
- Simplify order documentation and tracking from start to finish.
- Identify technology leaders with the best value to maximize fiscal year budgetary contacts.
- Streamline Federal budget compression and last-minute fiscal year budgetary contracts.
- Train our Partners and Government procurement officials to more efficiently use the contract vehicles we provide to them.
